We will be asking our children on the next few retreats to decorate them for an art project we are creating for the gala.

Please look through your closet, your family's closets and even your friends' closets so that we can make this a great success!

Save on postage and please only send the back pockets.

**Thank you for your help & participation!**

## **DELIVER THE DREAM UPCOMING RETREATS:**

Deliver the Dream is having a “doggone” good summer with more fun retreats on the way!

Our next retreat weekend is **August 20-23** at Amicalola Falls State Park and Lodge in Dawsonville, Georgia with Children's Healthcare of Atlanta focusing on families who have a child with Sickle Cell Disease. At Amicalola, families enjoy the great outdoors, hiking the natural waterfalls, learning about birds and snakes, taking nature walks and making s'mores

by the campfire! Nestled in the Blue Ridge Mountains, this scenic venue provides an ideal spot for family togetherness, making new friends and fun!

Shortly after, Deliver the Dream is back in action with St. Vincent's Medical Center of Jacksonville at Westgate River Ranch on **September 10-13!** This weekend, we'll be working with families who have a parent with Cancer. These families will have the opportunity to horseback ride, experience air boating in the swamps, brush up on their mini-golf skills and even participate in a real live rodeo! What exciting events coming soon for Deliver the Dream! We can't wait to share more magical retreat weekends with all of these deserving families! long friendships and new members of the Deliver the Dream family!
